CPC Mission Statement

We are a non-profit, Christian organization dedicated to helping abortion-vulnerable women and men who are involved in a crisis pregnancy, to choose life for their unborn children. Toward the same end, we are committed to encouraging godly sexual attitudes and practices in our community.

About CPC

Since 1984, Crossroads Pregnancy Center has been assisting women, men, and children in the metro Detroit area. We were able to extend a helping hand to over 2,100 clients in 2009; distributing over 50,000 diapers and wipes. Our abstinence education program has expanded teaching to 18 local schools, reaching 5,000 middle and high school students, and our portable ultrasound machine program is being used at other local pregnancy resource centers. We open our hearts to all, regardless of marital status, religious beliefs, gender, age, or race.

Sponsor CPC

We are funded solely by private donations. In order to continue offering our services free of charge to our clients, we are in urgent need of businesses and organizations like yours to sponsor our fundraising events. People in crisis pregnancies need emotional and physical support, materials, and services. No matter what their race, how young or old their faces, all are worthy of God's grace and our care. Your support enables us to offer life-saving solutions and to help start a new chapter in someone's life. Consider assisting us so that we can serve all who come. All underwriting is tax deductible.
